

Whole-House Bypass Humidifier

Quality and efficiency, for less. The HE105 and HE205 Whole-House Bypass Humidifiers deliver the same level of quality that Honeywell humidifiers are known for, but at a more competitive price. It's an easy way to expand your Honeywell offering — and profit from it, too.

Contractor Highlights

- **Functional Design.** Fits existing evaporative humidifier space for quick and easy installation.
- **Application Flexibility.** Easily change bypass direction.
- **Replacement Opportunity.** Utilizes same standard and agion replacement pads.
- **Simple Installation.** Includes transformer and control.
- **5-Year Warranty.**

Homeowner Highlights

- **Easy Control.** Easy-to-use humidity control included.
- **Protects Wood Floors and Furnishings.** Moisture content is stabilized so wood won't dry or crack.
- **Energy Savings.** Humidification control makes your home feel comfortable at a lower temperature — so you can turn down your thermostat and save more money.
- **Home Comfort.** Enjoy healthier conditions and improved comfort with this simple solution.
