

K-5208 SECTIONAL MACHINE

CLEARs 2" TO 8" (50 TO 102 MM) DRAIN LINES

The RIDGID® K-5208 is the most powerful, compact sectional machine on the market. Power meets portability as this machine is 35% lighter and 71% smaller than previous RIDGID sectional drain cleaners. It's the sectional machine you need on your truck.

- ▶ **MORE POWER**
¾ HP motor spins cable at 700 RPM
- ▶ **TOOL-LESS CLUTCH ADJUSTMENT**
Quickly switch between cable sizes without additional tools
- ▶ **IN-FIELD SERVICEABILITY**
Minimize downtime when maintenance is necessary
- ▶ **FLUID MANAGEMENT SYSTEM**
Delivers a cleaner work environment
- ▶ **TRIDENT DECOUPLING TOOL**
Easily disconnects cable sections
- ▶ **BONUS UPGRADES**
Quick-dump cord for faster setup
Square steel tubing for enhanced strength and durability
