

DRAIN CLEANING HAND TOOLS

Drill not included

K-6P TOILET AUGER

DUAL POWERED OPERATION FOR TOUGH TOILET CLOGS

The new K-6P toilet auger uses heavy-duty Tri-Wrap cable to power through the toughest blockages. The optional drill attachment lets you increase the torque to 500 RPM while the quick lock adjustment extends the cable 6' beyond the toilet. Zinc-plated steel tubing helps resist corrosion and preserve your tool.

- ▶ **OPTIONAL DRILL ATTACHMENT**
Power through serious blockages with 500 RPM maximum
- ▶ **QUICK LOCK ADJUSTMENT**
Extends the cable 6' to clear beyond the toilet
- ▶ **CORROSION RESISTANT**
Zinc-plated steel tubing
- ▶ **MAXIMUM STRENGTH**
Heavy-duty Tri-Wrap cable

Drill not included

K-6P XL TOILET AUGER

INTERCHANGEABLE HEADS FOR GREATER VERSATILITY

The new K-6P XL toilet auger features bulb head and C-Cutter attachments to break through tough blockages. With optional drill operation, 6' of 1/2" Inner Core Tri-Wrap Cable can reach a maximum speed of 500 RPM. Quick lock adjustment allows the cable to extend beyond the toilet and a convenient storage bag makes for clean and easy transport.
