## Join us for Radiant Training

### Radiant Class Outline

Led by Aaron Curtiss

- Aaron has been in the HVAC industry for 20+ years and has been doing boiler and radiant design at RHS for 3 years and does 95% of the radiant and snow melt for RHS.
- The class will cover a basic explanation of radiant design and what is needed when submitting a request.
- The class will be covering a product introduction of both the Viega and Legend lines with a Q + A session at the end of the class.

Class runs from 11am - 1pm

There will be **no charge for these classes!**  
Be sure to get there and grab a seat!

*Return bottom portion*
